Dear Rod Djukich,

Please also kindly confirm the account name for the demand (or banking) draft, "DVD Copy Control Association" or "DVD CCA - CSS License"?

Besides, about the discrepancy between "1425" and "Room 25, 14/F", both of them are available.

If you have any enquiries, please feel free to contact me.

Looking forward to your reply. Thank you!

Best Regards,

Dear Mr. Chan:

All is fine. We simply need the one signed copy for our files. For your records, you may simply sign the respective page on the counter-signed original when it reaches you (it was sent via air mail 6 Jun 00).

Regards /rd
